Daly City—Gateway to The Peninsula One of the Most Rapidly Growing And Developing Cities In Northern California

BLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIF., THURSDAY, SEPTEMBER 30, 1948 | VOL. 45, NUMBER 35

REAKDOWN OF WELL CUTS CITY'S VATER SUPPLY BY ONE FOURTH AS BODIEN PLUGS FOR ANOTHER SITE

Twenty-five per cent of the municipal water works' capacity was idle this week, when a Pomona pump at the Citrus avenue pumphouse broke down, throwing one of the city's four wells out of operation. It is estimated that it will take at least a month before new equipment can be purchased and installed, with cost of the new work set at approximately $1,500.

According to A. J. Bodien, water works superintendent, the water situation is critical, but, barring further breakdowns, the three remaining wells should be able to meet requirements for the next thirty days.

Using four wells, the department has been pumping approximately three-quarters of a million gallons of water per day. In addition, the city has three million gallons in storage in three reservoirs on hills east of the city. The reservoirs alone would meet requirements for about six days. As a further safeguard, the city two years ago completed an emergency connection with San Francisco's Hetch-Hetchy supply line, and this could be used as a water source in case of an emergency.

ALL OLD WELLS

The pump which gave way had given uninterrupted service for fourteen years, Bodien said. Average life of a producing well is approximately 15 years. The remaining three wells have been in existence twelve, ten and five years, respectively.

Bodien and the entire water department have been pushing requests for additional well-sites for some time, but the council has delayed action pending a complete survey of water facilities and engineer's recommendations concerning location of the new well sources. Assistant Superintendent Elmer Kennedy last month was detailed to the full-time job of mapping the existing water system in detail, but the job is not yet completed, due to incomplete data for the years prior to 1930.

However, engineers and water experts have unanimously recommended that the city obtain new well sites in the area west of Junipero Serra boulevard. The city has made tentative arrangements with trustees of the Jefferson elementary school district to sink wells in school property west of Garden Village, but decided to await developments on the proposed annexation of the Westlake area before proceeding with further plans.

Despite the fact that the water table at the Citrus street plant has not dropped appreciably, there is a limit to the amount of water which can be taken out of a small area, Bodien said, and additional sites are the only answer.

A building boom which has added approximately 1,300 new homes to Daly City in the past ten years has raised water consumption nearly fifty per cent, it is estimated. Additional building will add to this requirement. In 1938 there were 2,769 homes in Daly City while there are more than 4,000 at present.

"The proper place for at least two more wells, which are needed right now, is in land adjoining Lake Merced," Bodien stated. "If Westlake is annexed to Daly City, we can kill two birds with one stone by solving Daly City's water source problem, once and for all, in addition to taking care of the needs of the new area."

rguments Occupy ity Council In eeting Monday

After a lot of discussion pro and), the city council authorized the paration of arguments for and ainst annexation of Westlake to mailed to voters along with the nple ballot, at a public meeting nday night. The arguments, not exceed 300 words in length, will mailed by County Clerk William gustus between October 1 and

With Mayor Gaggero and Counnan Mooney absent, the city's siness was transacted by Counnen Battye, Bertetta and Green. een, former mayor, acted as airman.

Several items on the agenda ere put off until the next meetg when Councilman Battye deined to vote on them, claiming e full council should pass on e matters and stating that he d not had the opportunity to ve full consideration to the easures. Among the items put ver were:

A recommendation by the civil vice Board of Review that the ary of poundmaster be raised m $190 to $230 per month.

A recommendation by the civil vice Board of Review that eligible list of applicants for city poions be retained for four years stead of one year.

Passage of an ordinance annexg the Garden Valley tract, approximately three blocks south of rket street, between El Camino al and Hillside boulevard.

CAB CHANGES OKAYED

The council passed a resolution the installation of arterial stop gns at the intersection of Werner enue and Vale street, as a traf control measure.

In the matter of Hillside Manor, w two block subdivision east of llside boulevard, a resolution was ssed directing the city engineer complete an investigation and port for grading of streets in the ea.

The Hilltop Cab Company, on etition of owners Jeff Martin, eorge Kirchhubel and John ohnson, was granted permission change its name to Daly City illtop Cab Company and to oprate five taxicabs. Previously, he council heard an expression rom the attorney of the defunct Daly City Royal Cab Company hat his organization had no obection to the change in name. The permits and license of the Daly City Royal Cab Company ere revoked. The Daly City illtop Cab Company was represented by attorney Frank B. lum.

A request by William Lagomarno for the abandonment by the ty of a portion of County street, the southerly extremity of the y, was referred to the city enneer for a report on easements ing through the property.

NUISANCE COMPLAINT

Charles Tarryton, of 152 Bruno enue, complained about the storge of two trucks of the American og Company on Bruno street, arging the trucks were a health enace and a nuisance. County ealth Officer Fred Collins reied that he had examined the ucks and premises and found no idence of a health violation, but e council directed Chief of Police W. Sunderland to investigate id make a report.

At the conclusion of the meetg, Councilman Paul Green prented a team trophy and individl awards to the Colma Boys lub baseball team, which won the hampionship in the class "A" mmer league, and Joe Sarto, onsor of the team, was comended for his contribution to recation and sports. Members of the hampionship team were George erada, Lee Micheletti, John lcese, Don Lunghi, Tito Sarto, enny Parodi, Don Whol, Howard effron, Al Lagomarsino, Don ossi, Dick Morgan, Ray Settrini d Louis Mossi, coach and manger.

O HUNTING IN CITY IMITS SAY POLICE S THEY HUNT HUNTER

Somebody in Daly City is taking e western spirit which prevails r the Festival and Carnival at ur Lady of Perpetual Help church little too seriously, according to eports from the Daly City Police epartment.

They were looking for a roaming fleman this week after Peter Lua, of 281 Niantic avenue, reported meone was firing a small bore fle in the area between Junipero erra boulevard and Niantic avue, south of Bell street. Investiation disclosed that approximate- 20 rounds had been fired last riday and 50 more on Monday.

Police are keeping a close surillance on the area, in order to prehend the nimrod, who may t understand that it is unlawful use firearms in the city limits.

FESTIVAL AND CARNIVAL HERE

The big event is here!

Starting Friday, and continuing for three days thr ugh Sunday, the Gigantic Festival and Carnival at Our Lady of Perpetual Help School, 80 Wellington avenue, will attract hundreds of citizens to an affair replete with entertainment, prizes, refreshments, games and amusement. Proceeds will be used to defray part of the cost of the new parochial school which accommodates 450 local students.

Schedule is as follows:

Friday — open at 7 p.m.

Saturday—1 p.m. to 4 p.m., children's hours.

Saturday — open at 4 p.m. until the cows come home.

Sunday — open at 11 a.m. until midnight.

At 5 p.m. Saturday, a spaghetti and meat ball dinner will be served for 85 cents.

Sunday, at 4 p.m. a ham dinner will be served at $1.50 per plate.

See the Festival page, sponsored by forward-looking merchants, on page 8 of The Daly City Record.

Portola Trek Follows Mission Trails Route

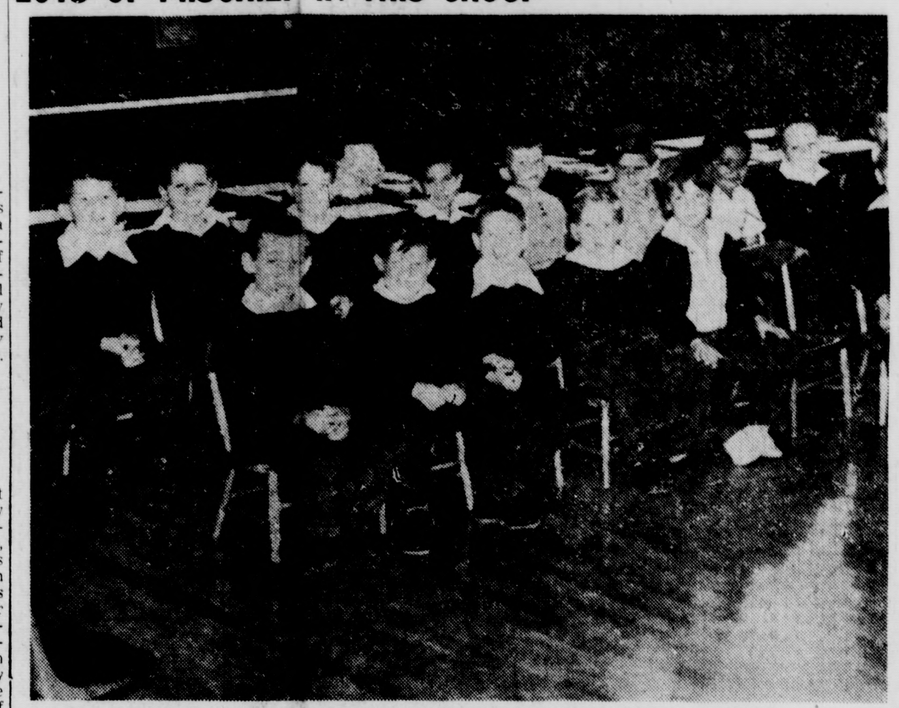
GI'S CAN USE YOUR DISCARDED RADIOS

Do you have an old or discarded radio laying around in your attic or basement?

If you do, there are a bunch of G.I.'s who can use it. The boys in the service who are stationed at Camp Daly City, in the Crocker hills east of the city, are in dire need of approximately 50 old radios which they can make use of in their newly-activated radio training program. The G.I.'s will put the radios in shape and put them to use.

Donate your radio by contacting Sgt. 1st Class Vernon M. Garland. This can be done by phoning DElaware 3-9934 between the hours of noon and 2 p.m. Monday through Friday. An Army representative will call at your convenience to pick up the radio.

LOTS OF MISCHIEF IN THIS GROUP



—Bob Benassini Photo

Left to right, back row: Gary Bonini, Michael Bresnan, Michael Drew, Robert Field, David McCauley, Thomas McEntee, Ronald Montoya, Thomas Murray, Robert Perry. Front row: George Baptista, Gary Rivers, Robert Brooks, William Hix and Jimmy Kennedy.

These students at Our Lady of Perpetual Help School, 80 Wellington avenue, are anxiously awaiting the start of the school's Festival and Carnival, which opens Friday night and continues through Sunday.

Pac. Tel. & Tel. Co. Builds $1,213,000 Office At Colma

Construction is under way on a new telephone building at Bryant and Washington streets, Colma, it was announced today by Lyle M. Brown, San Francisco division manager for the telephone company.

The building, of reinforced concrete with stucco finish, will be completed early next spring after which new dial central office equipment to serve 7,200 telephone numbers will be installed. The new office, with the central office name, OLiver 6, will be ready for service late in 1949 or early in 1950.

Total cost of the project including building and central office equipment is estimated at $1,213,000.

Jeff Offers Night Classes In Sewing, Auto Shop, Crafts

Evening classes for adults will start at Jefferson Union High School on Tuesday, October 12, at 7:30 p.m., it was announced by Superintendent Stanford Hannah today. Registration will be conducted in classrooms on Tuesday and Thursday evenings.

Classes in sewing, metal crafts and auto shop will be the first classes offered, Hannah said, with studies in other subjects offered if people indicate a demand for them.

The auto shop classes, for boys requiring continuation training as well as for adults, will be conducted by Joseph Lassegues in the school shops at the end of San Diego avenue.

Durant Mosely will teach the metal craft group in the craft room, downstairs in the south end of the auto shop annex. It will be purely a craft class, Mosely said, with no industrial work, such as sheet metal, forging or machine shop, included.

The sewing class will feature training in remodeling and alteration, as well as fashioning of new garments. Mrs. Ruth Fisher will be in charge of the group at the sewing room, located in the lower southeast corner of the main building. Entrance will be made at the main door.

Continuation of night classes is entirely dependent upon attendance, Hannah stated, and said anyone interested should plan to register on October 12. Persons interested in formation of additional classes should call the high school and give their name and preferences to Miss Day, secretary to the district superintendent.

Thousands Attend Opening Of King's Market This Week

After attracting thousands of visitors at its premier opening Tuesday, Wednesday and Thursday of this week, the mammoth King's Market, on Junipero Serra boulevard and Garden Gateway, celebrates its grand opening Friday, Saturday, Sunday and Monday in a blaze of lights and activity.

Owner Mike Jacobs has prepared parking facilities for one thousand automobiles for the opening of northern California's most modern wonder market, located just inside the city limits of Daly City.

Featuring an ultra modern grocery department, with stainless steel carts and twelve check-out stands; a meat department employing dozens of butchers; complete delicatessen and liquor sections; and crisp fruit and vegetable market, King's also include a Priscilla Cake Box Electric Bakery and Coffee Shop and a Douglas Shaw Candy and Ice Cream Shop.

PERSHING PTA

Mrs. G. J. Sirex, unit PTA counselor, will be the guest speaker at the first regular meeting of the Pershing PTA for this school year. The meeting is scheduled for 1:30 p.m. October 5 in the Pershing school.

Mrs. Dolly Jensen, president, will have charge of the meeting.

PRO AND CON
Both Sides of Westlake Picture

STUDY COMMITTEE BLASTS WESTLAKE PARK CONDITIONS

The Annexation Study Committee has carefully analyzed the statements of the proponents of annexation of the Doelger Tract and feel duty bound to call attention to both some of the statements and missstatements contained therein, according to Fred Klinger, chairman.

"In the first place, we would like a clearer view than that of the mayor's picture of horror, the horrible spectre of "a strangled city" which he states will be our fate in Daly City if we do not accept this annexation scheme," Klinger said.

"We are sure no one would mind accepting all the penalties that will come to our city by annexation if it is necessary to do so to spare ourselves the horror of seeing our city 'strangled.' However, don't be unduly alarmed folks. There is still hope. Mr. Doelger is ready and willing to save us from that terrible fate.

"The question of the bargain the city is to get on the 10 acres to be used as a park cannot be settled and disposed of to our satisfaction by statements that 'real estate experts' have said it is a bargain. A check-up reveals that no appraisal could possibly have been made by anyone as there has been no decision as to what part of the 'settling pond' Daly City is to get for the $20,000 the council agreed to pay Mr. Doelger.

"One thing we do know however is that, based on the price Mr. Doelger has paid for the property and the price of $20,000 which the city will pay for 10 acres represents a profit to the Doelger Corporation of from 50 to 100 per cent according to which part of the "pond" Daly City is allowed to purchase. 'A quick turnover with long profits' could possibly have prompted such generosity and helpfulness to Doly City on Mr. Doelger's part.

"With the commendable policy of the Record to give space to both sides of the question, let's have better and more understandable pictures of what dire ends are predicted for our city when the proponents use such terms as 'We will be a walled-in city' — 'We must not die on the vine' — 'We must increase our county influence' — 'Our taxes will be reduced,' etc.

"These sayings and predictions may be high-sounding and convincing if we could more clearly visualize them or feel sure of their correctness. So far we have found no city that has been benefitted from a tax or governmental standpoint as the result of annexing territory.

"With one of your statements we agree, 'Daly City will then be the largest city in northern San Mateo county.' As it seems to us that gives us comparison with Colma, formerly Lawndale, the city of the dead and we do not put too much importance on that as it is our candid expectation that we will still have enough life left in our city even after its 'strangulation' to hold our own with our competitor city to the south," Klinger stated.

Sundstrom, Bodien To Head 'Yes For Annexation' Group

The "Yes for Annexation Citizens Committee" was formally organized this week to conduct a straight-forward campaign for approval of the Westlake annexation ordinance at the election on November 2.

A. L. Sundstrom, secretary of the Daly City fire department and community leader, was named general chairman of the committee with Arthur J. Bodien, superintendent of public works, and vice chairman of the San Mateo County Planning Commission, as co-chairman.

Sundstrom and Bodien were selected to head the committee at a meeting of a group of proponents of the annexation, who announced that the campaign committee would consist of representative men and women throughout the city.

"The annexation of the Westlake subdivision is vital to the future of Daly City," said Sundstrom. "In the past few years, our city has dropped from fourth to sixth in population in the county, and unless we expand now we are faced with still further losses.

"The residents of Daly City pay millions of dollars in taxes into the county treasury, but because we are classed as a 'small town' without political influence or voting strength, we get little recognition from the county in the way of improvements.

"The county provides our section with no parks, no playgrounds, no hospitals and very little else.

MORE BENEFITS

"However, all this will be changed by the annexation of the Westlake area, which will give us more than 2,500 new modern homes. More homes mean more people. More people mean more business for our merchants and trades folks, and millions more dollars in new tax income to help relieve the tax burden on our present property owners.

"More people also mean more county and state benefits and recognition, and parks, playgrounds, an emergency hospital and other public betterments will be natural results of growth.

"When the Westlake land is added to our city limits by an overwhelming 'YES' vote on the annexation ordinance, already passed by the city council, our city will grow overnight to almost half again in size without expense to the city.

"If we do not annex this territory now, we are confronted with a period of declining property values within our existing boundaries, which means higher taxes and higher rents in the future.

"It requires no great amount of study to convince any thinking person that the beenfits and advantages of annexation are so numerous that we must vote 'YES' on the annexation ordinance for the future protection of our homes and our families, and for the welfare of our city."

Bodien, who has lived in Daly City practically his entire life, al-

Two Day Centennial Celebration Set For October 15 and 16 Here To Greet Portola Horsemen Parade And Pageant

A group of approximately 50 merchants, PTA representatives, and people from social and fraternal organizations met at the city hall Tuesday night with city recreation leaders to map out plans for a two day celebration in Daly City on October 15 and 16 to welcome the Portola Trek as it completes the last lap of its 108-day journey to San Francisco.

A street dance, parade, pageant, and two days of hilarity culminating in a costume ball at the high school were tentatively planned by the group.

Another meeting is scheduled for Monday night at the city hall, where all interested persons are invited to show up at 8 p.m. to work out final details for the celebration.

The Portola Trek will arrive in Daly City on Saturday morning, October 16, to make the last stop on its 108-day journey from San Diego before riding to its destination at San Francisco's Aquatic Park.

The local group plans to decorate the streets with banners and signs and a street dance is scheduled for Friday, October 15, the night preceding arrival of the Portola horsemen.

On Saturday at noon, local marching groups, horsemen and organizations will join the trek for a parade through the city ending at Jefferson High School, where the Portola people will present a one hour historical pageant.

The festivities will continue Saturday afternoon, and the two day Centennial celebration will end that night in a costume ball at the high school auditorium. Admission will be one dollar per couple and costumes will be required for admission.

Among the groups which met Tuesday and will meet again Monday are the Daly City Merchants, Colma - Vista Grande Eagles and Eagles Auxiliary, Parent Teachers Associations, Native Sons and Daughters and the city recreation commission.

Committee chairmen are:

Parade, Eddie Allen; tickets and decorations, high school, Mrs. Marie Sorensen; publicity, Pete Markovich and Paul Green; hoosegow committee, George Wheeler; dance, Ed Lopez, and street decorations, Ted Hopman.

The hoosegow committee will conduct a kangaroo court to arrest males who have taken the trouble to shave for the last two weeks preceding the occasion.

BE A SPORT

Ladies, do you like sports?

If you do, you're invited to join the Daly City Sportswomen's Association, which is now being organized. The group will meet at the Community Hall, 335 Bellevue avenue on Wednesday, October 13, at 8 p.m.

Further information can be obtained from Mrs. M. E. Nenstiel, acting chairman, by phoning DElaware 3-3784.

AMERICAN LEGION PLANS PUBLIC FORUM ON ANNEXATION

The American Legion has made tentative plans to act as moderator at a public forum on the controversial question of whether or not the Westlake subdivision should be added to Daly City, it was announced by Commander Ralph Capps today.

Capps said the forum would be conducted on Tuesday, October 26, if the high school auditorium can be made available on that date.

The Legion commander said prominent local people would be invited to speak both for and against the annexation proposition, and that the Legion post would nominate a moderator to direct the discussion.

JOE SARTO CITED BY LEGION POST

At the regular meeting of Daly City Post No. 410, American Legion, Commander Ralph Capps awarded the post's "Citation for Community Betterment" to Joseph Sarto, sponsor of the two Colma Boys Club baseball teams. The citation read "for outstanding and unselfish financial and moral support of local boys clubs and active interest in community affairs."

The citation is awarded annually to a person doing outstanding work for the betterment of the community during the preceding year. Last year's award went to Elman Rose, city recreation director.

Sarto had been invited to speak to the group on boys club organization, and was taken by surprise by the citation. Later in the evening he expressed his appreciation by giving the post a billiard table for their nearly-completed club room.

Thirteen 25-Year-Olds In County Face Draft

Members of Draft Board 57, covering the territory from San Mateo north to Daly City, have screened about 100 names of men who will be subject to selective service induction. Board 58, covering the southern end of San Mateo county, will have a similar list. From the two groups, approximately 13 registrants will be chosen for Army service beginning in November.

The names were selected from more than 8,000 registrants, with the first group of inductees slated to come from the 25-year-old group.

So far, no conscientious objectors have registered, according to Board members.

Shower For Mrs. Code

A surprise baby shower was given in honor of Mrs. Robert Code by her family Tuesday.

Those who enjoyed the evening were Mrs. Audrey Code, Mrs. Elizabeth Kerr, Mrs. May Milo, Mrs. Hazel Keagle, Mrs. Agnes Carlo, Mrs. Florence Smythe, Mrs. Rose Demenio, Mrs. Jennie Milo, Mrs. Blanch Melodia, Mrs. Mary Lible, Mrs. Peggie Demenio, Mrs. Kay Kerr, Mrs. Elnore Miller, Mrs. Anne Cerf, Mrs. Esther Manning, Mrs. Marion Hopkins, Mrs. Rosalie Buchanan, Mrs. Florence Young, Mrs. Marie Cody, Mrs. Josephine Mauhelbach, Mrs. Maxine Wilkins, Mrs. Fern Elliot, Mrs. Julia Marchionni, Mrs. Doris Stefoni, Mrs. Mary Pamisanio, Mrs. Louise Lamke, Miss Arlene Code, Miss Judy Keagle, Miss Beverly Keagle.

Additional Kindergarten Facilities In Broadmoor Community Center Help Relieve Congestion In Schools Here

A temporary over-crowding in the district's primary and elementary schools, caused by a record fall enrollment of more than 1700 students, has been solved to some extent by formation of two new classes, according to Superintendent of School James Snell.

Through arrangements with directors of the Broadmoor Property Owners Association, a new kindergarten class will be inaugurated next Monday, October 4, in the Broadmoor community center building which was donated to Broadmoor residents by Henry and Ellis Stoneson.

Mrs. Adis Hyde, a graduate of Principia College and the University of California, will be in charge of the new class. Mrs. Hyde has been working with Mrs. Merton, Jefferson elementary kindergarten teacher, in preparation for the additional class.

The Broadmoor kindergarten will accommodate 21 children in the morning and approximately 20 more in the afternoon, Snell said.

Besides relieving facilities at the Jefferson school, the move will eliminate a transportation problem formerly existing, since Broadmoor kindergarten children will no longer be required to cross Junipero Serra boulevard.

Another improvement was seen in the elimination of double sessions for second and third grade pupils at Woodrow Wilson Elementary school.

Mrs. Gladys Stark, a graduate of Michigan State College and UCLA, has taken up teaching duties at Woodrow Wilson to conduct a portion of Mrs. Ethel Hahn's second and third grade classes.

Moving slowly but surely in the face of the largest enrollment ever seen in the Jefferson school district, one problem after another is being solved by re-arrangement of school facilities. Snell and the district board of trustees have been meeting often to iron out difficulties caused by the record enrollment.

Bids for construction of a drainage ditch on school property in Broadmoor Villege will be opened at a meeting of the board tonight, Thursday, at the district administration building on Santa Barbara avenue. The work will be the first step towards eventual construction of additional classroom buildings on the site.

LOCK YOUR CAR! TWO THEFTS REPORTED

When you park your car, it's a good idea to lock it.

Mrs. Aldo Giusti, of San Mateo, was sure of that after attending a wedding Sunday at Holy Angel's Church in Colma. After parking her car near the railroad tracks, she returned to find her purse and a wedding gift gone from the car.

The purse, containing cash and personal papers, was still unrecovered today, as was the wedding gift, a porcelain cigarette holder.

In another car break-in reported to police, George Smith, of 187 Irvington street, said he had parked his car on Geneva avenue Saturday. When he returned, someone had pried open the glove compartment with a screw driver. Nothing of value was stolen, however, Smith reported.

THE BIG BLOW !

DEBT AND TAXES

The argument whether or not the recent tax reduction will impair Federal debt reduction is one that may arise in the coming political campaign. To most of us who want to see both taxes and debt go down the words of Professor Harley L. Lutz of Princeton will be encouraging. Says he: "Within limits, tax rate reduction does not necessarily impair revenue receipts in the long run. The chances are much better than even that greater headway will be made in over-all debt reduction over the next decade by readjusting tax burdens so as to promote high level employment, production, and income than can be made by retaining for the purpose of rapid debt repayment, tax rates that impede capital formation and throttle tthe economic incentives to work, save and assume risks." In brief, within reasonable limits, we can probably do more to reduce our debt by reducing the tax burden than we can by keeping it at its present oppressive level. On this basis, further tax cuts will be doubly popular with the public.

UPS AND DOWNS

Uncle Sam didn't collect quite as much from the people of California in the last fiscal year as he did in the year before that. But he still got a sizable chunk of change — $3,-108,679,127, according to the Treasury Department. In the 1946-47 period the take was about $43 million more. In contrast to this downtrend, however, the sales volume in California continued to mount substantially. The State Chamber of Commerce says the figure for the full year of 1947 was more than 20 per cent above the 1946 total. The national average increase was 17.4 per cent. These statistics on income and spending seem to indicate that Californians as a whole are ea...g less and spending more. Since the figures, however, are not for the same period it isn't possible to make accurate comparisons. One thing is sure: California continues to enjoy robust economic health.

WORKS BOTH WAYS

Sometimes people who use public transportation feel that the operators are not as polite as they should be.

In St. Louis a motorman decided to find out how polite the passengers are. During the day he kept a score card. He found that only three per cent of those he spoke to bothered to answer him. And only 25 of the 300 people he waited for so that they could catch the car, thanked him.

Courtesy is a two-way street.

WHY SPOIL TRADITION ?

It is reported that radio comedians this fall will try to cook up some new jokes.

Schools To Start Green Pennant Safety Drive

A school traffic safety campaign, sponsored by the county board of education and Pansy Jewett Abbott, superintendent of schools, will be started in all San Mateo county public schools, it was announced today, through participation in the Green Pennant Safety Campaign.

Each school will receive a large green pennant to be flown from the school flagpole, provided no child in the school is involved in a traffic accident for thirty days.

When an accident occurs, the school must immediately lower its pennant and keep it down until another thirty day safety period has elapsed.

Miss Abbott points out that the value pupils receive from the campaign will depend upon how well each child understands that his individual cooperation is necessary to establish a good safety record for his school. The campaign will provide opportunities for class discussions of accident prevention.

Barb. McDonough, Arthur Stange Wed

The old wedding tradition of "something old, something new, something borrowed, something blue," was carried out in the recent marriage ceremony of Miss Barbara McDonough and Mr. Arthur Stange.

For something old, Miss McDonough wore pearls. The something new was her gown. She borrowed the prayer book she carried, and wore a blue garter to finish out the tradition.

The bride is the daughter of Mr. and Mrs. Richard Edward McDonough of 419 Winchester street, Daly City. Her husband is the son of Mr. and Mrs. Arthur Stange of 3979 23rd avenue. Father Adrian McKenna performed the double ring ceremony which was held Saturday morning at Our Lady of Perpetual Help Church.

The bridal gown was of egg shell satin with a long train trimmed in lace, and a sweetheart neckline. The veil was bonnet - shaped, trimmed with orange blossoms. The prayer book was covered with white orchids and streamers of bouvardia.

Miss Pat Follon, in an aqua gown, was maid-of-honor. Bridesmaids were Miss Delores Hischer, the bride's cousin, Mrs. Colleen Van Kirk and Miss Pat Nolan. They were dressed in yellow satin brocaded gowns with hats of nylon net with velvet trim.

Donald Nolan was the best man with Bill Scanlon, cousin of the bride, Ernest Griffin, cousin of the groom, and Frank Williams as ushers. The bride's brother, Richard McDonough, and Bob Rode were the altar boys.

A wedding breakfast in the Georgian Room of the Whitcomb Hotel followed the ceremony, and the reception was held in the afternoon at the Masonic Temple.

The bride recently was graduated from the U.S. Nurses' Cadet Corps, St. Mary's College of Nursing in San Francisco. The groom is a graduate of Mission high school and formerly served as a sergeant in the U.S. Army.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

Alfred A. Figone, 44 Werner street
Henry Laskey, 626 Hanover street

V. Vstiantseff, 256 Los Olivos avenue
Paul F. Padgett, 79 Abbot street
Peter J. Silacce, 48 Werner street
N. L. Studdard, 76 Miriam street
Harold R. Sargent, 270 Whittier street
R. C. Binnetti, 135 Winchester street
Emil W. Klein, 223 Vista
Herbert S. Hand, 353 Winchester street
Dan M. Weldon, 1020 Brunswick street
Mario Marotta, 144 Santa Cruz avenue
J. Schwaninger, 439 Woodrow street

Best Western Baby To Win Automobile And Paid Education

A search for the most perfect baby, in which more than 5,000 youngsters will be enrolled, was announced today by Portola Festival officials.

The contest, which will shower gifts and prizes on the lucky winner, is being conducted by Mme. Beatrice de Baltazar, one of the world's foremost baby experts. She has conducted baby contests on a statewide and regional basis but has never taken in a territory as large as California, Washington, Oregon, Utah, Nevada and Arizona.

"In my many years of experience in baby shows, I've noted that the babies in the west are far superior to those in other regions of the country," Mme. de Baltazar said. She went on to explain that the fact that we indulge in outdoor living more than any other region of the country, adds much to our over-all health and well-being.

"Our westerners are taller and stronger by far," she added, "and this over-all health is manifested in our children."

Applications to enter the Portola search for the perfect baby are being filled in by the scores, and baby headquarters is swamped with proud mothers bringing down their offspring to register them.

Babies from six months to three years of age are being accepted. They are given a pre-entrance physical examination and are thoroughly checked before being registered. Official date for the judging is October 16, 1948. Judges will be outstanding pediatricians and top citizens.

Winners in the contest will be given a four-year paid-in-advance college education, an automobile, sculpture busts, and scores of other valuable gifts.

Prevent Deer Meat From Spoiling - - Act At Once!

How to prevent deer meat from spoiling before use is still a problem to many deer hunters.

In the interests of conservation and fuller utilization of the annual harvest of nearly 50,000 deer, the California Division of Fish and Game offers the following suggestions for the care of venison afield:

First, the newly - killed deer should be bled by sticking a knife into the stomach as near the brisket as possible, being careful not to cut the throat.

One method of cleaning the animal is to cut a small hole in the belly large enough to insert the hand. All the entrails should be removed, leaving the heart and liver in place. The hole may be plugged with ferns or cloth or sewed shut with twine.

READY FOR VFW DANCE

Dianne Wheeler, San Mateo county's VFW "Sweetheart," plays a few notes for Bill Sweeney, Jr., Commander of Daly City's "Old Glory" post of the Veterans of Foreign Wars. Both will be present at Bay Meadows Clubhouse Saturday for the VFW dance, with Ray Hackett's orchestra.

Bar Association Seeks Two Additional Superior Court Judges For San Mateo

Citing a backlog of legal cases which will take a year to try, the county bar association, at a meeting in San Mateo Friday, has unanimously recommended that the San Mateo county superior court be increased from two to four judges. Wayne Millington of Redwood City, president of the organization, said legislators in the State capitol will be asked to introduce legislation to provide for the extra judges at the January session of the legislature.

As of June 21, there were 329 cases waiting to be set on the superior court's calendar, Millington said, and stated that filings in the court during 1947 were almost twice those in 1931, when it was found that an additional judge was necessary. Expense of outside judges assigned to this county amounted to $5,404 during the past 17 months.

With two superior judges, Edw. Scott and Aylett R. Cotton, the county has a case load per judge of 1734 cases per year. Last year there were 3434 cases filed, compared to 1870 in 1931.

Citing a population growth from 60,000 in 1931 to an estimated 225,000 today, the bar association said that "even with the most favorable action on a bill to provide extra judges, we could not expect any relief until the fall of 1949."

The question of additional courtroom facilities to accommodate the additional judges was left to the county board of supervisors.

Surprise Shower For Emilia Bertini

A surprise shower for Emelia Bertini was given on September 17 by her sister, Mrs. Julia Padreddi and Adrienne Briemer.

Nearly 40 guests attended the affair which was held in Mrs. Padreddi's home.

Miss Bertini will become the bride of Louis J. Nava November 13 at the Holy Angels Church, Colma.

Market Milk and Cream Production Declines

Market milk and cream production in California continued to decline during May, complete statistics for the month just issued by the State Department of Agriculture reveal.

Market milk sales, averaging 836,000 gallons daily, dropped for the third successive month, for a total of 1.9 per cent during May compared to May 1947, while market cream sales, averaging 14.3 gallons daily, were off for the eighth consecutive month, a total of 14 per cent below May 1947.

HI-LITES From Jefferson Union High School

by Carol Donaldson

Jefferson now has the largest enrollment in its entire history. It totals 828, almost a third of which are freshmen. Another unusual thing is that there are more boys than girls. Although there is a record enrollment there is an unbelievably small graduating senior class consisting of only 29 students.

DANCE SUCCESS

The opening dance of the season was a big success with over three hundred students attending. This is a wonderful indication of the school spirit for the new term, especially since the excitement of rallies and football games is here at last. The first rally of the term will be held in an assembly tonight for the game with Washington of Centerville. The game will start at 8 o'clock in Centerville. Many Jeff rooters are expected to be on hand to support their team, and a bus has been chartered to take students who do not have cars.

There has been quite a bit of talk lately about purchasing lights for the football field. Coach Glenn South hopes that in the not too distant future we will be able to hold night games. It is believed that the lights would more than pay for themselves.

HEALTH TESTS

Tuesday and Wednesday of this week the county T.B. tests were given for the students during their gym periods. These tests are given annually to insure the students' health since it is so important to detect T.B. in its early stages.

A meeting of the executive board was held Tuesday morning at which it was decided that the student body cards will cost $1. They also agreed that admission to football games should be 25 cents with S.B.C., 50 cents without S.B.C., and 75 cents for adults. Copies of the school constitution will also be printed and distributed to the students. The G.P.A.L., Girls Peninsula Athletic League, was granted permission to sell refreshments at the home games.

The Art Club held a meeting to elect new officers this week. The purpose of this club is to further the students interest in art. They plan to include trips to museums as a part of their club doings.

Gloria Petroni Is Married In Colma

Miss Gloria Petroni, daughter of Mr. and Mrs. David Petroni of East Cavour street, Daly City, became the bride of Mr. Lillio Battilana of San Leandro, son of Mrs. Carmelita Battilana, at Holy Angels Church in Colma last Sunday. Father John Morrisey officiated at the 4 o'clock ceremony.

Given in marriage by her father, the bride was gowned in the traditional white satin and wore a long French Tulle veil crowned with apple blossoms. She carried a bouquet of baby orchids and lilies of the valley.

Miss Lea Patroni was her sister's maid-of-honor. Bridesmaids were Miss Aida Battilana, sister of the groom, Verna Oberti, the groom's cousin, and Miss Josephine Caserea. Nini Battilana was his brother's best man.

A reception at the Italian-American Social Club was held after the ceremony. The bride's mother wore a gold-colored satin dress and hat of the same color with brown accessories. The groom's mother was dressed in a deep green with black accessories.

The bride is a graduate of Jefferson Union High school, while the groom graduated from Hayward high school.

The couple will make their home in San Leandro after their honeymoon.

NEWS FROM THE SCHOOLS

WOODROW WILSON

The student body of the Woodrow Wilson school held its first meeting Friday, September 17.

The following officers were elected:

President, William Sherriff; vice president, Lola Mack; secretary, Sharon Doolen; treasurer, Erva Winland.

The L8 grade is beginning the study of the United States government. The H7 grade is beginning the study of Asia and its contributions to our civilization.

The students of the L7 grade are using their knowledge of latitude and longitude to locate the places that will be studied this semester. The students of the H6 grade are studying the torrid, temperate, and frigid zones, the location of these zones, and the influence of climate on man's progress.

The L6 and H5 grades welcomed five new students. They are Robert Goodare, George Hutchings, Larry Johnson, James Snell, and Edwin Van Staverin.

The fifth grade boys and girls are studying longitude and latitude in their social studies. They find it very interesting to locate where people are by the use of longitude and latitude.

The L5 and H4 are beginning their study of California. The early history of our state and its development up to the present day will be studied, discussed and analyzed.

The L4 is reviewing addition and subtraction combinations before beginning more difficult addition and subtraction problems. At present, the class work is on the more common higher decade combinations.

The pupils of the H3 have brought interesting sea shells to school. They plan to display these on their science table. This project is a development of the study of the earth's surface and will acquaint the children with their immediate environment.

The members of the L3 and H3 grade thank those mothers who furnished the many beautiful flowers for our room. During our discussion of summer vacations we found many points of interest had been visited.

JEFFERSON

Routines for the new semester got into full swing when Jefferson eighth graders held their class election and chose their officers for the coming year. The results are as follows:

President, Beverly Bendinelli; vice-president, Bob Golobic; secretary, Dolores Lagomarsino; treasurer, Mabel Garibaldi.

Marjorie Duncan and Martin Caravano were selected by their classmates to be their representatives in the low eighth grade. After the first class meeting, representatives will be chosen by students of the fifth, sixth and seventh grades.

First graders have started their social studies unit, "Farm Life." Since a number of the children have either lived on a farm or at least visited one, they are very interested and the subject stimulates conversation at oral language time. They discuss their animals as well as foods and their relation to the seasons of the year. At the close of the unit, the boys and girls are looking forward to building a miniature farm.

Relative to their social studies unit, "California," pupils in the fifth grade enjoyed their own "Picture Lesson." Many of the children, during their vacation, had visited some of the historical and beauty spots of California and brought pictures to show the class.

Second graders enjoyed the story of "Tuffy, the Tugboat," read to them by the teacher. The sequences of the story were related back by the pupils and the parts they enjoyed the most were discussed. An art lesson followed and the children expressed their interpretations on paper.

CROCKER

The student council of the Crocker school was elected by the student body this week. This council is composed of representatives from the various rooms, and acts in a legislative, executive, and judicial capacity with the student body officers. Council members from the respective grades and rooms are: L8, Miriam Villaba and Lee Winn; H7-L7, Elaine Martinez and Ellis Pizzi; H6-L6, Margaret Michelsen and Robert Pool; L6, Sharon Hancock and Brower Dimond; H5-L5, Donna Carlisle and Louis Cooper.

With the beginning of the school saving program, 52 students of the Crocker school felt "a penny saved was a penny earned," and they diligently made their deposits. In the H8 grade, students Ann Choroski and Ronald Dickson acted as bank tellers, collecting the money, writing the deposit slips, tabulating the totals and computing the percentage of depositors. A large thrift record chart in the hall of the school, made by Leonard Mullen of the H8, informs the student body of the percentage of depositors in each class, as well as the class having the greatest number of depositors. The class having the greatest percentage of depositors displays a blue and gold thrift banner in its room for the week. Congratulations, prospective graduates, for having 50 per cent of your class making deposits for the first week!

L7 and H7 graders have learned this past week in one of their language arts activities that the famous Tyrian purple dye was accidentally discovered when a shepherd noticed that his dog's mouth was red, as if it were bleeding. He found out that the color came from a shellfish which the animal had been eating. This reddish purple liquid was the first purple dye. The making of this dye became an important industry in the city of Tyre. Hence, the name, "Tyrian purple."

VIRGIL By Len Kleis

SUNNYSIDE by Clark S. Haas

HI-LITES AT S. F. CITY COLLEGE

By Frank Galo

City College officials will shortly turn in a college-owned book store plan to the Board of Education. The plan, generally outlined, calls for a student operated cooperative dealing in books and other supplies. Most items will be reduced for holders of Associated Student card. Money for such a project would come from the Associated Student budget, while profits would be returned to the budget fund.

FOOTBALL

The San Francisco City College Rams opened their 1948 season with an overwhelming 37-0 victory over a fighting but disorganized Monterey eleven. Ollie Matson lived up to his press clippings as he scored three touchdowns. However, two of them were called back, one a 47-yard sprint. Here is how the scoring was made: In the first quarter, after a Matson touchdown was called back, Bob Toquinto tossed a 25-yard pass into the arms of Bill Koenig for the first score. Later in the same period, Matson scored from eight yards out. In the second quarter, after another Matson touchdown had been called back, Toquinto scored on a five-yard run and the score read 18-0 at halftime.

The score went up to 25-0 when Roy Georgi scored in the third period and Julian Bala converted for the only conversion of the evening. In the final stanza, Bob Gilford, on a handoff from deceptive Jack Marcus, scored for the Red and White to boost the score up to 31-0. Larry Davis scored the final Ram touchdown. Although not scoring any touchdowns, Ken Foehr ripped yardage right and left, setting up touchdowns.

Starring in the backfield besides Matson and Foehr were Bob Toquinto with his long passes, handsome Jack Marcus with his deception and precision ball handling, Roy Georgi, Doug Wilson, and Walt Jordan. Tops in the line were Paul Olivier, Jean Rodgers, Bill Shipp, and Ben Albrecht.

Don Morettini, first string guard and one of the conference's best, will suit up for the Vallejo game tomorrow night at Vallejo. A knee injury forced Morettini to sit out the season opener. Also returning to the wars are Bill Marcus and Bob Clark. Marcus was out with a dislocated bone in his foot while Clark had an eye injury. Incidentally, Vallejo opened their season with a 19-6 win over Modesto, the defending champs.

DIS AN' DAT

Parking permits will be issued on the basis of a lottery so as to give both old and new students an equal opportunity of parking in the west campus area, according to Edward E. Sandys, dean of men.

Phi Beta Delta ushers in the 1948 social season by presenting a dance tonight at the west campus auditorium.

President Frank Ferguson's first student council meeting was dedicated to the study of Robert's Parliamentary Procedure. It seems that last semester's sessions were marred with arguments (which almost became riots) as to who should speak, when, why, and how. Especially the "how." People just don't say "drop dead" to presidents when they mean "I disagree with you, Mr. President." Last semester's meetings sounded like hog-calling contests, no kidding.

Accidents Are Leading Cause Of Death In Children; Worse Than Disease Toll

A state-wide effort to reduce California's child accident toll of about 900 lives yearly through participation in the national child safety campaign in September was set forth by Dr. Wilton L. Halverson, State Director of Public Health, as an immediate public health objective calling for concerted cooperation by all public health and medical authorities and interested civic organizations within the state.

"The needless loss of a single life, or the crippling of even one child, is an exorbitant price to pay for any neglect of this problem," said Dr. Halverson. "Through the attention directed to child safety by the national campaign, we have a most favorable opportunity for an intensified allied effort in our state."

Education vs. Accidents

The objective of the national campaign is to reduce the number of child accidents, both fatal and nonfatal, through a mass education program directed to parents and older members of the family on ways of eliminating unsafe practices which produce the great number of child injuries. The campaign is being conducted by the Metropolitan Life Insurance Company with the co-sponsorship of the U.S. Children's Bureau, the American Academy of Pediatrics, and the National Safety Council.

The importance of the national campaign is evidenced by the fact that accidents are now the leading cause of death among children more than one year old. This is shown in the experience of the insurance company among its millions of Industrial policyholders, in which the accident death rate for 1946 among children from 1 to 4 years was 48.1 per 100,000 as compared with a rate of 282. per 100,000 for pneumonia, the next leading cause of death. Significantly, although the death rate from all diseases in this age group is now only a third of what it was 15 years ago, there has been little improvement in the rate of death from accidents.

Among children 5 to 9 years old, the death rate from accidents was 25.7 per 100,000. This was more than five times the rate for rheumatic fever and organic heart disease, the next cause. Among children from 10 to 14, the accident death rate was nearly three times that for rheumatic fever and organic heart disease.

328 TOTS DEAD

State Health Department records show that 328 California children from 1 to 4 years old met accidental death during 1946, while 178 died from pneumonia and influenza, jointly the next leading cause. In the same year an accident toll of 177 children 5 to 9 years old contrasted with 39 pneumonia-influenza deaths and 10 from rheumatic fever. Accidents took the lives of 185 children from 10 to 14, while 28 died of tuberculosis and 9 from rheumatic fever, the next leading causes in that age bracket.

According to Dr. Halverson, the outstanding improvement in death rates from all nonaccident causes during recent years is the result of advances in medical science and of concentrated efforts in the field of child health. The premise of the child safety campaign is that efforts now must be intensified to bring about a somewhat comparable reduction in the number of child accidents.

An important phase of the campaign will be the door to door distribution by the agency force of the Metropolitan, of a 12-page illustrated booklet, "Help Your Child to Safety."

Big Crowd Expected At Jefferson High Sunday To See Mustang-Sunset Game

A crowd of eight hundred people is expected to show up at Jefferson High School football field Sunday at 11 a.m. to welcome the Daly City Mustang gridders back after two weeks on the road. The Mustangs will tangle with highly-heralded Sunset Athletic Club eleven from San Francisco. Admission is $1; 50 cents with student body cards.

The Sunset aggregation is in second place in California Athletic League competition, and Coach Harland Ferrando has drilled the Mustang squad in a hard-driving offensive pattern designed to knock the Sunsets to the bottom of the league ladder.

Nini Tudoni, tackle, and Roddy Dawe, guard, who were injured in last week's game at Selma, are back in shape for the home-coming and will be named to start Sunday against Sunset.

Backfield chores will be handled by Bob Plyer, Joe Tudoni and Jack Parker, with a few new players added to round out the Mustang attack, Ferrando said.

Competition for starting assignments has been so keen among the squad that the coach said he would be unable to name his starting line-up until Sunday morning. The Mustangs will hold one more scrimmage before the game.

A new passing attack, wide-open flankers and a couple of razzle-dazzle touchdown makers will be displayed for the first time Sunday, according to Ferrando. He invited those who wished to learn more to go to the game Sunday at 11 a.m.

ROD & GUN RAMBLINGS

With deer season in full swing, the Daly City Rod and Gun Club members are really on the go. Myron Westerveldt, hunting near Donner Summit, got a 4-pointer last week end and John Grunberg bagged a fat three-point buck near Squaw Valley. George Archer, Percy Smith and Dick Ryan stalked the Indian Creek area in Plumas county, but so far have been without success. However, Archer reported sighting a king-size buck, so Al Speers, George Scally and Jimmy and Laurine Fox have been scouting the same area.

Ed Nenstiel, with wife Frances and son Mervyn, returned from a trip to the upper Feather River country, where they spent four days fishing Nelson Creek and Gold Lake.

High water and too much food has made for a poor fishing year in those parts, Ed reports, although he hooked a three-and-a-half-pound brown trout and an eighteen-inch rainbow.

Ralph Harris and Jimmy Fox went on a double-purpose trip recently to Lassen Park, with trout fishing and movie shots of the scenery occupying their time. They reported getting some fine color shots of deer above the timber line level, with most of the deer congregating at about 8,000 feet.

SALMON FEED

Sixty wives and members of the Rod and Gun club enjoyed a salmon dinner last week after Harry Kimball and a few boys sailed outside the Golden Gate Sunday and hauled in a mess of salmon.

The group is planning a bear hunt in November near Buck's Lake. Anyone wishing to join the Daly City Rod and Gun Club is invited to contact Ed Nenstiel at the Daly City Hardware store. The group meets on the second and fourth Wednesday of each month at the Bellevue street recreation center.

PTA WHIST

A whist party will be sponsored by the Woodrow Wilson P.T.A. Ocober 13. The card party will begin at 8 p.m. and will be held in he Masonic Temple, 17 Hillcrest drive.

Mrs. William Hunter is the chairman of the event.

EAGLES AUXILIARY HAS FOUR BOWLING TEAMS

Formation of four bowling teams by the women's auxiliary of the Colma - Vista Grande Aerie, Fraternal Order of Eagles, was announced yesterday by Louise Sima.

Three captains, Alberta Diebel, Donna Almquist and Mary Voborel, have already been selected, with the fourth position still open, Mrs. Sima said.

Other bowlers are Charlotte Ward, Harriet Meinzer, Dorothy Johnson, Agnes Malz, Louise Sima, Beth Morris, Ruby Miller, Lillian Miller, Patricia Severietti, Santa Pearlman and Irene Maloney.

Game schedule and meeting nights will be announced next week.

Hunters Warned On Deer Safeguards

The army of deer hunters who have taken to the hills of the North Coastal, Modoc-Lassen, and Sierra areas for the month-long open season which closes October 15 are probably aware of most of the laws governing deer hunting. But the Division of Fish and Game wants sportsmen to know a thing or two besides seasons and bag limits.

Lake hunting safety, for example.

According to Chief Joe S. Hunter of the Bureau of Game Conservation, indications are that California will again lead the nation in the number of hunting accident fatalities. Last year's totals of 18 Californians killed and scores wounded serve to underline the official agency's perpetual advice: "Look before you shoot."

Then there's the matter of conservation.

Joe, a true hunter in more than name, believes not more than one in ten California shooters deserves the title "hunter." He deplores the many cases of wounded deer being left to die because the man who fired the gun is not enough of a hunter to track his injured game.

PTA WILL HONOR JAMES SNELL AT RECEPTION FRIDAY

A reception honoring James L. Snell, new superintendent of the Jefferson Elementary School District, and Mrs. Snell will be given at 8 p.m. October 1 in the administration building, 344 Santa Barbara avenue.

The reception is being sponsored by the Woodrow Wilson, General Pershing, Crocker, and Colma Parent-Teachers. The public is invited.

Refreshments will be served by the various units with P.T.A. presidents as hostesses.

William J. Mahaney To Head Hardgrove Election Campaign

William J. Mahaney, 44 Park lane, Atherton, was appointed chairman of the campaign to elect Robert H. (Bob) Hardgrove to the state assembly from San Mateo county.

Mahaney is associated in law practice with C. E. H. Maloy and Robert A. McDonald. They have offices in San Mateo and San Francisco.

Mahaney and his wife "Pat" are leaders in many civic affairs. They have a family of four and have lived in San Mateo county 10 years.

Mr. and Mrs. Mahaney have been particularly active in school and church affairs. Mrs. Mahaney was a candidate for the Atherton city council at the last election and earlier served as manager of the presidential campaign of Wendell Wilkie in this area.

Mahaney is a member of the Menlo Circus Club, the Knights of Columbus and the Kiwanis Club.

A typical Mission scene is enacted as the Portola Trek stops at a southern California Mission on its journey to San Francisco. Practically every community on the route has decked itself out and put on a pageant and celebration honoring the historic trek.

Judge Tees Off On Lumber Promoters Who Hold Back Pay

"A man who works for a living cannot feed his family, and human society fails to function when wages that have been earned are not paid," declared Judge Gilbert French of Garberville in a dramatic session last week.

In a court room crowded with lumbermen and their families, Judge French imposed heavy fines and jail sentences on three operators who owed a total of $3,275 to 17 workers, including woodsmen, timber fallers, buckers, peelers, pullers, and the foreman of the crew.

E. W. Whitney of Fresno, the employer, was fined $500 and sentenced to six months in the Humboldt county jail. A portion of the jail sentence was suspended on condition that he pay in full the labor claims and, in addition, $500 as a penalty to the lumbermen, to be divided among them in proportion to their wage claims, as compensation for having to wait. All wage payments are to be made through the San Francisco office of John F. Dalton, Labor Commissioner of the State of California.

Leonard L. Anderson of Fresno, an associate of Whitney, was sentenced to pay a fine of $250 and to serve 90 days in the county jail. A portion of the jail sentence will be suspended, Judge French said.

Fred Powers of Garberville was sentenced to pay a fine of $100, and the case against Silas R. Davis, another defendant, was dismissed on the motion of Irving Shore, San Francisco attorney for the Labor Commissioner, who prosecuted. Mr. Shore said that Davis, who was bookkeeper for Whitney, was not actually responsible for the failure to pay wages and had cooperated in the investigation.

Judge French, who in early life was himself a lumberman, explained that the lure of "black market" profits had brought many promoters into the Redwood Empire territory during the war years, and that normalization of the lumber industry was making it difficult for inexperienced or inadequately financed operators to compete successfully. "But," said Judge French, "a man who undertakes a business venture must recognize the priority of labor, and it is his duty to apply his income to the payroll before he pays other debts or takes out of the business a compensation for his own services. He has no right to speculate with the wages due his employees."

Wedding, Christening Make Twin Celebration For Chalmers Family

A christening and a wedding were combined last Saturday to make a double celebration for a Daly City family. Both were Greek Orthodox ceremonies and were held at the Holy Trinity Greek Church in San Francisco.

The wedding united Miss Cleopatra Chalmers, daughter of Mr. and Mrs. Gust Chalmers of Daly City, and Mr. Edward Matysic, son of Mr. and Mrs. Burt Matysic of Philadelphia. Mrs. Matysic came from Philadelphia to attend her son's marriage.

The bride's gown was of brocaded taffeta. She wore a fingertip veil and carried a bouquet of lillies of the valley centered by an orchid.

Mrs. Chris Konsonlas of Roseville was the matron-of-honor and wore a blue gown. Bridesmaids were Angeleque Farris, niece of the bride, and Rita Catherine Kinsman of Washington. They wore hoop dresses of blue and pink.

Al Mongeon was the groom's best man with Bernard Gorcea of Daly City and William Chalmers, brother of the bride, as ushers.

An hour before the wedding ceremony, the 200 friends and members of the family, witnessed the christening of the bride's nephew, Dennis Fife, son of Mr. and Mrs. Alfred Fife of Daly City. John Stewart was the sponsor. Father Potropoulos officiated at both ceremonies.

BOB SILVESTRI IN TIE FOR MEDAL AT PEBBLE BEACH

Bob Silvestri, Northern California Amateur Golfing Champ and former Jefferson High school star, carded a par 72 on the tough Pebble Beach golf course Tuesday to tie for medal honors in qualifying play for the California Men's Amateur Golf championship. Russel York, of Los Angeles, also scored 72.

Leading the field of 300 top-flight golf filberts, Silvestri alternately birdied and bogied his way over the rugged Pebble Beach layout, and finished with a two-under par 35 on the last nine.

Silvestri, the hard-luck kid of local golf circles, was three times runner-up for the San Francisco city championship and won his first title last spring when he captured the Northern California Amateur title.

Twelve Groups Are Supported By Your Community Chest

With the start of the San Mateo County Community Chest fund raising drive tomorrow, the agencies supported by the Chest are asking the citizens of the county to be generous in making their gifts so that the services offered to children and adults in local communities can be continued.

The drive which starts tomorrow is the once-a-year appeal for funds to support 12 welfare agencies. The groups, according to Daly City Chairman Frank B. Blum, are as follows:

San Mateo County Blood Bank
Boy Scouts of America
Catholic Social Service
Council of Social Agencies
Girl Scouts
County Preventorium
Y. M. C. A.
Social Hygiene Association
Children's Home Society

Mrs. Angie Thur, New Brownie Troop Leader

Leadership of Brownie Troop No. 9 will be taken over by Mrs. Angie Thur, who will be assisted by Mrs. Ruth Emerson and Mrs. Etta Johnson. Mrs. Thur was formerly a co-leader of Troop No. 8, and also helped at both established and day camps this summer.

Troop No. 9 meets on Mondays at 101 Parkview avenue. The group is made up of girls between seven and ten years of age. This organization is a member of the Daly City-Colma Girl Scout Association, which is an agency of the San Mateo County Community Chest.

Marriage Licenses

Eugene James Gannon, 24, 127 Winchester street, Daly City, and Dorothy Durr, 26, Menlo Park.

Colma - Daly City Board Of PTA Has First Meet

The first meeting for the school year of the executive board of the Colma - Daly City P.T.A. was held last Tuesday at the Colma Community Center.

Those attending were Mrs. Hilda Dennis, president; Mrs. Virginia Lagomarsino, treasurer; Mrs. Margaret Damon, membership; Mrs. Ethel Faust, safety chairman; Mrs. Irene Chessman, secretary; Mrs. Gertrude Stanghellini, emblem chairman; Mrs. Lita Dennis, sewing and sunshine chairman; and Mrs. Lillian Bertucci, hospitality chairman.

The Colma P.T.A. will hold their regular business meeting at 1:30 p.m. October 5 at the Colma Community Center on Dunk street.

SAN MATEO JC IN FOOTBALL OPENER FRIDAY AT BOWL

Football opens for San Mateo Junior College Friday night when the college gridders play John Muir College in Pasadena in the Rose Bowl. The trip is being made boy train, with Coach Murius McFadden taking 35 players south for the opening game. Muir was undefeated last year in junior college competition but lost to the Southern California frosh eleven.

The rest of San Mateo's grid schedule follows:

October 8 — Stockton Junior College at Stockton.

October 16 — Sacramento City College at San Mateo.

October 22 — San Francisco City College, 2 p.m., in San Francisco.

November 6—Hartnell College of Salinas at San Mateo.

November 11 — Modesto College at Modesto.

November 19 — Grant Technical College at Sacramento.

November 27 — Menlo Junior College at Palo Alto.

The schedule gives San Mateo five games in the bay area, one down south, one at Modesto, and one at Sacramento. Last year San Mateo played and defeated San Bernardino down south and this year is bringing that team north.

Last Friday night a large group of junior college students and their friends enjoyed the freshman reception dance in the Coyote Point gym.

President Charles Morris will attend the annual conference of the Association of California School Superintendents in Long Beach October 6 through the ninth.

Girl Scout Leaders Take 5-Year Lease For Camp Wasibo

Girl Scouts in northern San Mateo county will have a summer camp at their disposal for at least the next five years.

The Federation of Girl Scouts of Northern San Mateo County voted, at a meeting last Thursday, to lease Camp Wasibo for the next five years and to buy the equipment already located at the camp. Located in the Santa Cruz mountains, the camp belongs to the Camp Fire Girls.

Mrs. Vern Baker, camp chairman from San Bruno, put the question before the Federation. Others speaking on the subject were Mrs. Cora Oberg, camp chairman and director from Daly City, Mrs. Thelma Hamilton, new president of the leaders association and staff member from Daly City, Beverly Heagney from the Girl Scout group and Joan Hopman from the Senior Scouts.

Woodrow Wilson PTA

The executive board of the Woodrow Wilson P.T.A. will be held at 1 p.m. October 12 at 176 East Vista.

Mrs. Earl White will be the hostess with Mrs. Robert Hacker and Mrs. Harold Riley, co-hostesses.

FERRANDO'S TEAM COMES TO LIFE A MUSTANGS BEAT SELMA ELEVEN, 6-0

The Daly City Mustangs, still stinging from their first league defeat suffered two weeks ago at the hands of the Santa Rosa Bone-crushers, arose at 4:30 a.m. Sunday for a bus ride to Selma, near Fresno, to tangle with the Selma town team.

Early rising must have agreed with the Mustang gridders, for they played four spectacular and hard-fought quarters of football to emerge on top with a 6 to 0 score, bringing their California Athletic League average to .500 with one win and one loss recorded in two starts.

It was a nip and tuck game, with both Selma and Daly City threatening to score but neither succeeding until, in the fourth quarter, Mustang guard Roddy Dawe smothered an attempted quick kick on the Selma 25-yard line and right tackle "Tiny" La Haye recovered the ball on the Selma 20-yard line.

Two plays later, fullback Joe Tudoni faded back and flipped a touchdown pass to end Aldo Sequini who took the ball standing up and unmolested in the end zone. Tudoni's attempted pass to Bob Dyer for the conversion was incomplete.

The Mustang forward wall, lethargic in previous games, was pepped up to a fighting pitch by Coach Harland Ferrando, and they charged the Selma linemen off their feet throughout the game, despite the fact they were outweighed an average of 15 pounds per man. Ferrando was well-pleased with the work of his forwards and said the team is finally operating as a well-coordinated unit.

The Selma eleven boasted a score of college-trained football experts, but hard work by the Mustang line, supported by alert line-backing by Merv Francis, Rod Dawe, Joe Tudoni and Red Austring, kept them from any scoring foray. The defensive halfbacks, Al Pettigrew, Bob Dyer, and Jack Parker could not be fooled by the Selma offensive and intercepted five of the opponents' passes.

Coach Ferrando added five new men to the Mustang line-up for Sunday's game and all contributed to the victory. The new faces belong to Arnold Lemos, Gus Sola, Gene Cross, Jerry Listman and Pat Urquidez.

The Mustangs meet Sunset Athletic Club Sunday at Jefferson High in an 11 a.m. football feature.

Sundstrom, Bodien To Head 'Yes' For Annexation Group

(Continued from Page 1)

so voiced a strong endorsem for annexation.

"The annexation of the W lake property," Bodien said, "w of our city limits, would be line of progress.

"It would permit a much ne ed increase in our water sup to our present city that is fall behind, due to the building bo in the past few years.

"Two years ago, I predicted t in five years Daly City would completely built up, leaving lots for future growth.

"This statement is now bec ing true, and without annex more land our city will becom walled in city for ever."

Both Sundstrom and Bodien widely known throughout D City and San Mateo county, have been actively identified w every constructive community deavor over a period of m years.

Sundstrom is a past presid of the Veterans fire departm and a former captain of Comp No. 4 of the fire department. D ing the war, he had charge of prevention activities in this tion under the civilian defe program, and took a promin part in all patriotic and civic dertakings. He has lived in D City for approximately 25 yea

s. A. Ottoboni

st rites were held Tuesday for Anita K. Ottoboni, pioneer of a, who passed away Saturday. rn in San Francisco in 1867, Ottoboni, with her husband, ate Bernard Ottoboni, founded Pioneer Nursery of Colma 56 s ago. After her husband's n, Mrs. Ottoboni ran the nurs- with her son Raymond until nt years.

llbearers at the funeral were nephews, Joseph Ottoboni, Ottoboni, Ernesto Ottoboni, o Ottoboni, Enrico Squeri, and ndson, Andrew Vereno Jr.

her survivors include her hter, Mrs. Theresa Vireno; sons, William B., Eustace and nond D. Ottoboni; three dsons, Dr. Lawrence C., An- C. Jr. and Raymond J. Otto- Jr.; two granddaughters, Mabel A. and Esther R. Vireno; a great-granddaughter, Linda Vireno; and two sisters, Mrs. Mamie Varni and Mrs. Jennie Assalino.

Services were conducted from the chapel of W. C. Lasswell Mortuary followed by a requiem mass at Holy Angels Church in Colma. Interment was in Holy Cross Cemetery.

Druids Annual Banquet At Southern Restaurant

Members of Cypress Circle, United Ancient Order of Druids, enjoyed their annual banquet last Wednesday at the Southern restaurant, with Mrs. Isabelle Liberti and Esther Jorgensen acting as chairman and co-chairman, respectively.

In place of the regular monthly whist party, the branch will be honored on October 27 by an official visit from Mrs. Alice O'Brien, grand arch Druid of San Francisco.

Community Chest Drive Starts Here As Workers Needed

Daly City's corps of volunteer solicitors for this year's San Mateo County Community Chest fund raising drive today began an intensive door-to-door canvass of all businesses and residents in the city in order to put Daly City "over the top" within the two-week Chest campaign period.

The Daly City group of Chest workers, under the chairmanship of Frank Blum, were in hopes that their town's 1948 Chest quota of $6,000 would be reached. Last year, a lack of workers resulted in the city being $1,800 short of its mark, and Blum pleaded for more volunteers to report at 6454 Mission street.

William F. Leutenegger, Chest general chairman, said that this year's Chest drive was receiving greater support from county residents than in any other previous year. He pointed out, however, that there were many potential large givers who have not yet responded to this year's Chest plea, and he urged those who have been tardy in sending their 1948 Chest donation to make an effort to get their Chest gift in the mail as soon as possible so that the 1948 Chest goal of $170,474 may be reached within the two-week campaign period.

In Daly City, members of the Girl Scouts, which receives direct benefit from Community Chest funds, will conduct a door-to-door campaign. Arnold Panella was named by Blum to head a subcommittee to cover business houses.

FEDERAL DEPT. EYES TANFORAN NAVY BASE

Use of some of the inactive barracks at the Tanforan Navy Base as detention quarters by the U. S. Immigration Service was under study by federal officials this week.

Crowded facilities at the Sansome street headquarters were given for the search for additional space. One hundred Chinese women in detention there went on a hunger strike last week and one suicide was reported as a result of crowded conditions.

Three Local Residents Donate To Blood Bank

Three Daly City residents were among those donating blood recently, according to the San Mateo County Blood Bank.

Making his first donation was Raymond Allen, while Elmer Hanley parted with blood for the second time and Mrs. Elmer Hanley gave her third donation to the bank, which provides transfusions for emergency cases.

LIGHTS SHOULD BE CHECKED

Headlight adjustments, even in the best of cars, are not permanent, points out the National Automobile Club. They must be checked periodically if the owner is interested in having adequate light.

ORD PRIVATE HELD ON CHECK CHARGE

Benny Gomez, military police private on leave from the Fourth Army at Fort Ord, has found an easy way to make money.

The only catch is that it isn't legal, as Gomez discovered Friday when he was arraigned in the court of Judge William Sweeney on a bad check charge preferred by Paul Gardella of Crocker avenue.

Gomez was also accused of stealing a table model radio from Domenic Gugliardo, 15 Shakespeare street.

The defendant admitted his guilt on the check charge but denied pilfering the radio. Judge Sweeney set bail at $250 cash or $500 bond, and Gomez is currently being held in the county jail at Redwood City pending return to Daly City for trial on Friday, October 1. After disposition of his case by civil authorities, Private Gomez will be held for Army authorities.

Ray Hackett Ork At Bay Meadows VFW Dance Sat.

Ray Hackett and his orchestra will hold forth at the Bay Meadows Clubhouse this Saturday, as Veterans of Foreign Wars posts throughout San Mateo county combine forces to present scores of guests with an evening of dancing entertainment they'll be sure to remember.

Many groups were planning to go to the dance after attending the San Mateo Fiesta or the Carnival and Festival at Our Lady of Perpetual Help Church earlier in the evening. Tickets to the VFW dance may be obtained from any VFW member or at the William J. Sweeney and Son Studebaker agency at Westlake and Mission streets. Admission is $1, including tax.

Special highlight of the evening will be the presentation of door prizes in the middle of the dance program.

The first of what promises to become an annual event from now on, the VFW dance at Bay Meadows is sponsored by the following San Mateo county posts: Daly City, San Bruno, San Mateo, Burlingame, Millbrae, Half Moon Bay, Woodside, Rockaway Beach, San Carlos and Redwood City. Proceeds will go for hospital relief, and sick or wounded veterans of both wars will receive proper care and medical attention because peninsula dance-fans turned out for an unforgettable evening of dancing pleasure and wholesome entertainment.

SQUARE DANCE

Square dancers and folk dancers are invited to attend a party by the Daly City Folk Dancers Saturday at 8:30 p.m. in the Bellevue avenue recreation center, 337 Bellevue avenue.

The Folk Dancers are planning to enlarge their group, and have developed a good square dance following in recent weeks.

SAFE WAY

Stepping out of your parked car on the "traffic side" may be stepping into the hospital or morgue, cautions the National Automobile Club. Squirming along the front seat to get out on the sidewalk may be a more bothersome way, but it is a way much less apt to end in bodily injury or death.

"Human Growth" Film Sponsored By PTA At Jeff High Wednesday

The propriety of teaching sex education in the public schools has long been a subject of controversy in the United States.

Adults in this vicinity will come in contact with this question Wednesday night when a film, "Human Growth," developed by the University of Oregon as a means to teach sex education in the public schools, will be shown at a meeting at 8 p.m. in the Jefferson high school auditorium.

Rev. Laurence Whitfield, pastor of the Millbrae Community Church and chairman of the parent education group of the Millbrae P.T.A., will be the speaker. He will be introduced by Mrs. Ann Ingersoll, health chairman of the Jefferson P.T.A. district.

ACTIVITY CALENDAR

Friday, October 1

BROADMOOR VILLAGE NEWS

By Dorothy R. Levitan

All official stamps of approval have been put on the Broadmoor Kindergarten and classes will begin in the new Community Center building this Monday. Mrs. Ardis Hyde has been appointed teacher for the class and has spent the past week in the Jefferson School kindergarten classroom with the present teacher, Mrs. Mertens. This has been done so that the children will have an opportunity to get acquainted with their new instructor before switching schools. Only the Broadmoor pupils are being transferred from Jefferson School; the others will remain in their present building. The primary reason for the new kindergarten is to solve the transportation problem of the very young pupils.

Safety Meeting

At their meeting last week, the Safety Committee of the Broadmoor Property Owners Association started making plans for a pot-luck dinner to be held some time in November for the committee members, husbands and families. The Committee also reactivated the Broadmoor Greeting Committee who call on new Broadmoor residents to inform them about life in the Village. The Safety Committee is composed of the women who give of their time to collect the monthly contributions from the people of Broadmoor toward their Safety program.

First Meeting

The new Broadmoor Community Center will be officially initiated Tuesday night when the Board of the Property Owners Association meets there. This special meeting has been called by President Vincent J. Murphy to get the Center organized. The Center will be governed by three appointed trustees and supervised by the American Legion, American Legion Auxiliary, Boys Club and Girls Club of Broadmoor.

Legion Dance

The spirit of '49 will rule again October 16 when the American Legion and Legion Auxiliary sponsor their 49'er dance at Buffalo Bill's, just outside the tract. There'll be square dancing, cake-walks, games and prizes, with a special prize for the best costume in attendance. Ray Logan, 2nd vice commander of the Broadmoor post, is in charge of arrangements.

Hallowe'en Party

Jack-o-lantern season is approaching and with it come plans for a kiddie Hallowe'en party to be held the night when witches and trick-or-treaters roam. The festivities will take place at the new Broadmoor Community Center and are being directed by Joseph Zimnicki, member of the Board of the Broadmoor Property Owners Association. In charge of awards for the party will be Mrs. Viola Murphy. Mrs. Eileen Debernarki will make arrangements for the parade and the program will be handled by Mrs. Irene Chessman and Mrs. John Detweiler. According to plans, every tot under 10 years of age wearing a costume at the celebration will be awarded some prize.

New Resident

Broadmoor Village gained a new resident on September 23, when infant Peter William joined the John Blackley family. Born at 5:20 a.m., Peter weighed 7 pounds 9 ounces and was 20 inches long. The Blackley's, who live at 1740 Sweetwood drive, also have a two-year-old daughter, Bonnie.

Super Market Opens

Amid gaily-colored flags and throngs of excited people, King's market, on Junipero Serra boulevard near Broadmoor Village, opened Tuesday, September 28. The market, one of the largest in this area, features a beautiful painted mural of San Francisco scenery across the whole rear wall. It is laid out for the greatest possible convenience of the shoppers and grocery push-carts even have a special place for baby! Store directories are found on each cart, also. Another Shaw's Ice Creamery and Priscilla Cake Shop adjoin the market.

Legion Installation

Installation of new officers for both the American Legion and Auxiliary in Broadmoor was held recently. In formal ceremonies, M. D. Peterson was installed as commander of the Legion post, while Mrs. Frances Davis took the gavel as commander of the Auxiliary. Arthur James and Ray Logan were installed as 1st and 2nd vice commanders, respectively. First vice commander for the women's Auxiliary is Mrs. Helen Richardson, with Mrs. Frances Hart as 2nd vice commander. Mrs. Evelyn Tosci handles the duties of secretary, and treasurer is Mrs. Gladys Peterson. The women's group was presented with their colors by Mrs. Helen Berryessa, president of the 25th District, and District Officer Mrs. Chess gave the Auxiliary a handmade gavel.

The Auxiliary holds one business meeting and one social meeting a month. This month's social will be held Tuesday evening at the home of Mrs. Claude Hanrahan. Bridge, card games and refreshments will be featured.

A picnic for Legion members and families will be held October 24 at Skippy's Park near Redwood City. This is a point project of the Legion and the Auxiliary.

NEW CHAMP

Marcel Cerdan smiles with the middleweight crown he took from Tony Zale in a 12-round knockout. The shiner on his left eye went with the crown.

Five New Postal Boxes Are Installed At Broadmoor

Five new postal collection boxes have been authorized for installation in Broadmoor Village, it was announced today by John F. Fixa, acting postmaster. The added facilities are required due to heavy expansion of postal traffic in the section, Fixa said.

The collection boxes have been installed at the following locations:

Sweetwood drive and Heather road; 89th avenue and Washington street; Midway avenue and Nimitz drive; 89th avenue and Nimitz drive, and Mattux avenue and Ellis drive.

Granger Endorses National Employ Handicapped Week

A 21-member committee, one of nearly 100 similar groups in California communities, has been organized in San Mateo county to bring to its annual climax the year-round campaign to translate physical handicaps into economic assets.

Floyd D. Granger, veterans service officer of San Mateo county, chairman of the local committee on National Employ the Physically Handicapped Week, October 3-9, said today that a full-scale effort is being mapped out here to show employers that handicapped workers in cuitable jobs are at least as reliable, efficient and productive as those without physical impairment.

As proof of the true worth of physically impaired employees, Granger pointed to a recent study made by the U. S. Department of Labor in cooperation with the Veterans Administration.

A comparison of 11,000 workers with serious physical handicaps and 18,000 able-bodied workers in 109 plants showed that the former were just as stable, just as steady in attendance and just as versatile as the latter, and were actually rated slightly higher in carefulness and efficiency.

The NEPH Week campaign will also be directed at those of the handicapped themselves who are not making full use of their actual or potential skills. They will be urged to take advantage of the medical care and training offered them by State and Federal agencies.

Available to these persons, Mr. Granger said, are the facilities of the Bureau of Vocational Rehabilitation, which helps to fit them for jobs; and of the State Department of Employment, which helps to place them after they become qualified. For disabled veterans, he pointed out, the Veterans Administration offers the full gamut of assistance.

POOL IS INEXPENSIVE, RELAXING PASTIME

"An economical and relaxing pastime" is the motto adopted by Kenny Bassler, proprietor of the Daly City Billiard Parlor, upstairs over Farmer's Market.

With three billiard and three snooker tables, players are seldom required to wait. Steve Passafiume, long-time local resident, is the night manager. Coffee, soft drinks and light lunches are also available.

Parking Costs Money In San Francisco As Tow-Away Plan Stays

San Francisco's plan of towing away cars illegally parked in "no-stopping, no-parking" zones has gone on a permanent basis. The city has signed a three-year contract for the service, which up to now operated on a probationary basis.

Police warned they shortly will begin towing operations during the morning rush hours, as well as the present 4 to 6 p.m. period, on streets where warning signs are posted.

Fees will remain unchanged—$5 for the tow job; $1 for parking time in an official lot, and $5 as a fine. Since the program started a few months ago, 8,884 motorists have had to bail out their cars.

MERCED NAMED

Merced, county seat of Merced county, is reported by the National Automobile Club to have derived its name from the Merced River, which the Spanish called El Rio de Nuestra Senora de la Merced—"The River of Our Lady of Mercy."

Norman Corlett To Head Cancer Group

Norman J. Corlett of San Mateo was elected president of the Board of directors of the San Mateo County Branch, American Cancer Society, at an annual meeting of the board held at the Hillsborough Town Hall last week.

Other officers who will serve for the coming year include D. Kirk H. Prindle, chairman of the executive committee; Mrs. Ralph J. Tucker, county commander; Mrs. Dwight M. Cochran, deputy commander; Mrs. Alfred Ullo, secretary; George Dado, treasurer; Dr. Stuart Lindsay, educational director; Mrs. Eric B. Bovet, corresponding secretary, and Mrs. Henry Boswick, Jr., assistant educational director.

A lecture on "Fundamental Aspects of Cancer;" illustrated with colored slides, was presented by Dr. James F. Rinehart. Activities of the group for the past fiscal year were listed in reports given by various chairmen.

Edward R. McDonald, finance chairman, presided at the meeting and reported the sum of $30,772.10 as the total amount raised in the April, 1948, drive for funds. The assigned quota for the county was $27,500. Memorial gifts totalled $1,251. Headquarters of the society at 18 Second avenue, San Mateo, continue to receive memorial donations in amounts ranging from $1 to $100, McDonald said.

In a report on the San Mateo County Tumor Consultation Center, Dr. Henry A. Brown announced that 189 cases had been seen during the past year, with an average of twenty doctors present at weekly meetings of the center at Mills Memorial Hospital. Duration of the sessions has been extended from one to one-and-a-half hours to allow time for follow-up cases. The ACS has recently purchased photographic equipment to photograph patients at the center as well as all cases of operated tumors going through the hospital.

WHERE TO GO, WHAT TO SEE, WHAT TO DO

Autumn coloring of trees and shrubs in California's foothills and mountains is presently bringing added enjoyment to week-end vacationists. Communities throughout the State continue the round of Indian Summer celebrations and fairs as Mother Nature paints a background of brilliant hues.

The leaves of many of the oaks in the valleys and the foothills of the Coast Range and the Sierra have turned yellow and orange, while the cottonwoods and aspens of the Sierra and of the Sacramento and San Joaquin river systems are a beautiful yellow gold. High in the Sierra the maples are a riot of orange and scarlet in contrast with the mellow brown of the buckeye. Dogwood, madrone, poison oak and other shrubs of crimson hue also may be seen along many California highways and byways at this season of the year.

The calendar is packed with events of all kinds, and together with current hunting and fishing seasons, football, horse racing meets, yachting events and many more, makes one of the most exhilarating seasons of the California events year.

Following is a list of events scheduled:

Festival & Carnival, Our Lady of Perpetual Help Church

Mendocino County Fair and Apple Show, Boonville, October 1-3

Twin Cities Riding Club Junior Gymkhana, Yuba City, October 3

Outdoor Comic Opera, "Robin Hood," at Mt. Tamalpais Mountain Theatre, October 3

49th Annual Grape Festival, Kentfield, October 2, 10 a.m. - 5:30 p.m.

Sausalito Regatta Days, Sausalito, October 2-3

San Pablo Rancho Fiesta, San Pablo, September 27 - October 3

San Mateo County Fair & Floral Fiesta, San Mateo, September 24-October 3

Santa Cruz County Fair, Watsonville, September 30 - October 3

Santa Cruz Birthday Fiesta, Santa Cruz, October 1-3

King City Stampede, King City, October 3 — parade at 1 p.m.; rodeo at 2 p.m.

Madera District Fair, Madera, September 30 - October 3

Riverbank Centennial Celebration, Riverbank, October 1-3

Kern County Fair & Horse Show, Bakersfield, September 28 - October 3

Exeter Emperor Grape & Homecoming Festival, Exeter, October 2

Ventura County Fair, Ventura, September 30 - October 3

SGOIL GHAIDHLIG ? THAT'S GAELIC

Enrollment for a free course in Gaelic will be accepted Sunday at 2 p.m. at the University of San Francisco, according to an announcement this week by MacDonald Hay.

The course will include grammar, reading, conversation, writing and literature in the ancient language.

SLIPPING DOUBLY BAD

A slipping fan belt should not be allowed to go unchecked. In many cars the water pump also is driven by the belt and unless the latter is functioning properly it means a doubly bad effect, with both of the important units of the cooling system thrown out.

TRAFFIC VIOLATORS

In seven out of ten fatal automobile accidents that occurred during 1946, one or both of the parties involved were violating traffic laws. Legislators who devised these laws, which are based on common courtesies, did so to keep motorists out of trouble. Remember, the next time you cheat a little, you may be cheating yourself a lot.

FESTIVAL FEED

San Francisco restauranteurs, especially along the route of march of the two Portola Festival parades, are busily engaged in making ready their establishments for the onslaught which will come about — before and after the huge parades. It is estimated that they will serve in excess of 800,000 meals on each of the days. Each restaurant must be at top efficiency to handle the expected million people who will watch the parades.

To Save dren From Tragedy

simple precautions would ved the lives of hundreds ren who died last year as t of burns and conflagra- he National Board of Fire riters says. One-fifth of victims in the U. S. are under 5.

dy of typical fire deaths of under 14 years of age s that the largest number apped in burning buildings tional Board points out are urged never to leave unattended in homes o. nts, and to instruct olde in methods of escaping rning buildings.

g very young children eaths were caused by scalds resulting when the child pulled a pot of hot water or food off the kitchen stove, or tumbled into a tub of boiling water. Mothers can prevent such accidents by keeping the children out of busy kitchens or laundry rooms, and by turning all pot handles inward, out of the child's reach.

The dangerous habit of kindling fire with kerosene also took a heavy toll. Both child and adult are safer when paper is used for kindling, the National Board states.

Unprotected open fires brought sudden death to many smaller children. A high, tight-fitting metal screen in front of the fireplace can afford full protection from both sparks and embers. Keep children away from out door bonfires.

Matches should be kept in a covered metal box away from children's hands.

No flammable liquids should be used for home cleaning.

BOTH SIDES

In order to present the people of Daly City with both sides of the controversial question—"Shall the city annex the Doelger Westlake subdivision?"—the Daly City Record will open its columns to both proponents and opponents of the issue.

Copy should be kept to a reasonable limit in length and articles should be brought to The Record offices not later than Tuesday of the week in which publication is desired.

Get both sides of the story in The Daly City Record.

Forgotten Inventor

Peter Cooper, who had very little education, became a machinery builder, furniture manufacturer, and a glue and isinglass producer. In 1828 he built an iron foundry in Baltimore. In 1830 he designed, constructed and patented "Tom Thumb," the first steam locomotive in America.

Horse and Mule Statistics

This year, for the first time since 1870, the nation's horse and mule population dropped below the 10-million mark. The department of agriculture estimates it at 6,607,000 horses and 2,544,000 mules.

SECOND FIDDLE

Donatella Capozzi merely captured second place in the contest for "Miss Italy of 1948" in Rome, Italy. First place went to Ornelia Camparetti of Bolgna.

Aptitude Tests For Navy Officer Corps To Be Given Soon

College aptitude tests for the selection of approximately 2,300 candidates for 1949 college scholarships under the Naval Reserve Officers Training Corps program will be given throughout the United States, Hawaii, Alaska, Puerto Rico and the Canal Zone on December 11, 1948.

The deadline for submitting applications for the tests, which will be given in 550 cities in the 48 states, is November 15.

Candidates selected will be given a four-year, Government-subsidized college education. The Navy Department pays for their tuition, books, and normal college fees, and in addition provides the student with a $50-a-month living allowance.

Male high school seniors and graduates between the ages of 17 and 21 are eligible to take the aptitude tests. Application blanks and complete information concerning the program are available from high school principals, college deans, Procurement offices and Navy recruiting stations throughout the country. In San Francisco the Office of Naval Officer Procurement is located in the Ferry Building.

In addition to the aptitude test, candidates must meet prescribed physical and mental standards. Those receiving satisfactory marks on the aptitude test will be interviewed and given physical examinations at a later date.

The candidates selected will begin the fall, 1948 term at one of the 52 colleges and universities in which NROTC units are established. They may take any course leading to a bachelor or higher degree, but must include prescribed naval science subjects.

In return for his scholarship, the NROTC student is obliged to participate in naval drills and cruises, and upon graduation, to accept a commission in the Regular Navy or Marine Corps, if qualifed.

After two years of active duty, he may elect to transfer to the appropriate Reserve Corps and return to civilian life, or he may request retention in the regular service, and if selected, make the Navy or Marine Corps his career.

Candidates are permitted to indicate the colleges they wish to attend, and, subject to quota limitations, will be recommended to the college of their choice. Final enrollment in all cases, however, will be subject to acceptance by the colleges to which recommended.

Students enrolled in the program will be deferred from induction under the Selective Service Act pending completion of their academic course. They must, however, agree to serve on active duty for two years when graduated and commissioned.

UNIFORMS GO SPANISH

All of San Francisco's uniformed workers will be dressed in traditional Spanish costumes during the Portola Festival and Pageant. Cab drivers, elevator operators, theatre ushers, street car motormen and all other groups are working on plans for their costumes to celebrate the event.

GASOLINE WASTE

When your car uses excessive amounts of gasoline, the trouble may be a worn carburetor needle valve, advises the California State Automobile Association.

Veterans Weekly News Column

Approximately eight out of every 100 northern California veterans entitled to benefit payments from the Veterans Administration change their place of residence each month, according to Robert P. Shields, San Francisco regional VA manager.

The San Francisco VA office mails benefit checks to an average of 124,000 veterans each month. The office also processes 10,000 changes of address each month.

Despite warnings from the VA that mail carriers are prevented by law from forwarding government checks from one address to another, between 2,000 and 3,000 checks are returned each month because the veteran has failed to report his new address, Shields said.

In some cases, by the time the VA learns of another address to mail the check, the veteran has moved again when the check arrives and VA must wait until they receive still another mailing address.

During fiscal year 1948 the San Francisco VA office certified 1,256,310 benefit checks for payment to veterans. The payments include subsistence for veterans enrolled in school, job or farm training under the G-I Bill and compensation or pension checks.

Benefit checks mailed during the fiscal year by the San Francisco office had a total value of $115,233,000, Shields said.

Shields again requested veterans to submit change of address promptly in order to speed up receipt of their checks and ease the VA work load caused by the handling of returned checks.

Question: I intended to be a bartender and would like to know if I can take a course in bartending under the G-I Bill?

Answer: First, you must submit to VA complete justification that the course is in connection with your present or contemplated business or occupation. Then you must receive VA approval before you start training.

Question: May I complete my last year of grade school and take a commercial course under the G-I Bill?

Answer: Yes.

MOTOR MISFIRE

Common causes of automo engine misfiring include comp sion leaks resulting from stic valves, noticeable at low spe and faulty spark plugs or w coil or condenser, noticeable high speed or when the engi pulling.

Do you have a complaint? A suggestion? Comment?

The Daly City Record will be glad to print letters submitted by local people on local subjects, in a "LETTERBOX" column on Page 2. The column will be printed whenever such letters are received.

Letters of public interest are welcomed for publication, so long as they are not libelous. All letters sent for publication must bear the author's signature, although the signature will be withheld from publication if requested. Unsigned letters will not be published.

Prospect for Oil

At least four major oil companies are prospecting for oil on the coast of North Carolina.

TRUMAN GETS TIE

Denver, Colo. — One of President Truman's first stops during his campaign visit to Denver was the Army's Fitzsimons General Hospital to see some of the many convalescent war veterans there. A pair of youngsters there were prepared for the visit and presented the President with a new tie which he smilingly accepted.

What Painters Mean

Painters refer to woods as open-grained and close-grained, meaning thereby the relative size of the pores, which determine whether the piece needs a filler.

Antelope Not Native

No species of true antelope is native of North America.

Windsor Castle

Historic Windsor castle, residence of British sovereigns for more than eight centuries, is 23 miles from London.

Discouraging Moths

Most effective way of preventing moth damage is by treating the fabric chemically so that the larvae refuses to attack it.

ACTIVITIES CALENDAR

(Continued from Page 5)

ing PTA, Pershing school.

2 p. m.— Meeting, Colma PTA, Jefferson School.

Food Big Item

The average family uses about a third of its expenditures for family living in feeding the family.

Cutting the Lawn

To be kept in the best condition lawns should be cut when 1½ inches above the ground.

Munich, Cultural Center

Munich, a city of some 800,000 people, is the famed cultural center of Germany. It was badly battered during the war.
